Robins Commissary

It's a good month for commissary savings

With surveys like the National Retail Federation's that finds Valentine's Day is the second biggest U.S. spending holiday next to Christmas, it's good to know commissary shopping saves your money.

For February, health awareness, the Super Bowl and Cupid's holiday take center stage as commissaries showcase extra savings during the month.

It's National Heart Health Month

and our new Nutrition Guide Program make it easy to choose items based on key nutrient factors. [Read More](#). Click on image below to [see video](#).

When every dollar counts

Scholarship deadline is February 17

The Scholarships for Military Children application period for the 2017-2018 school year closes Feb. 17.

Applications must be hand-delivered or shipped via the U.S. Postal Service or other delivery method to the commissary where the applicant's family normally

shops by the close of business that day.

In the past 16 years, the program has awarded more than \$15 million in scholarships to over 9,000 students. Seven hundred \$2,000 scholarships will be awarded this year.

Thinking Outside the Box

Quick Brunswick Stew with Cornbread

Just keep an open mind about starchy vegetables and this [Thinking Outside the Box](#) recipe may become one of your favorites since it's delicious and so easy to make. All TOB recipes are kitchen tested by DeCA dietitian Deborah Harris with a new recipe added every two weeks. Starchy vegetables are a valuable part of a healthy diet. Their carbs are "high quality," rich in vitamins, minerals and fiber.
